

Venue ID: 158

Historic venue faithfully restored

The five halls in this building are notable for their unique mix of the traditional and the modern: from 1920s elegance and simple 1950s chic in the Palm Court and Silver Hall, to comfortable drawing rooms on the first floor adjoining the gallery. Today celebratory receptions can benefit from the glamorous historical atmosphere. The Silver Hall's look is defined by its silver columns and a gallery running around the room on the upper floor. Green, Red and Blue drawing rooms are suited to smaller occasions or for an undisturbed business meal, and can be connected by sliding doors. The various halls and drawing rooms deliver gourmet German and international cuisine in a magnificent setting and can be booked for exclusive use.
